EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING OUT MANIFEST.

The information required on the manifest [Forms 1500, 1500 A, and 1500 B, new numbers 500, 500 A, and 500 B] as far as it relates to aliens, is explained in these instructions, and therefore should be made in accordance with the following directions. The number of the column on the manifest is given in these special instructions, and the title is followed, in parentheses, in all cases, by the number and in italics by a brief description of the matter influencing largely the subject to which it relates.

Column 1 (Page). The entry in column 1 should be numbered in ordinary Arabic numerals, beginning with the number 1 on each page.

Column 2 (Sex). The entry in column 2 should be "Male" or "Female."

Column 3 (Married or single). The entry in column 3 should be "Married" or "Single," as the case may be. Widowed and divorced persons should be returned as "Single."

Column 4 (Calling or occupation). The entry in column 4 should be the calling or occupation of the alien, if any, at the time of sailing from the foreign port. Persons having no occupation should be returned as "None." Persons of all professions, trades, and occupations should be returned by the specific name of each, as "Accountant," "Architect," "Artist," "Author," "Baker," "Barber," "Blacksmith," "Bookbinder," "Brick mason," "Butcher," "Cabinetmaker," "Civil engineer," "Clerk," "Cook," "Dressmaker," "Engineer (mechanical)," "Farmer," "Gardener," "Housekeeper," "Laborer," "Lawyer," "Locomotive engineer," "Machinist," "Merchant," "Miller," "Milliner," "Minister," "Musician," "Painter," "Physician," "Salesman," "Seamstress," "Servant," "Shoemaker," "Stonecutter," "Surveyor," "Tailor," "Teacher," "Tinner," "Weaver," "Wheelwright," "Wood turner," or other individual designation.

A distinction should be made between the terms "laborer" and "farmer," as the amount of money shown as before required depends largely upon the correctness of the entry in this column.

A farmer is one who owns or rents a farm and cultivates it.

A farm laborer is one who works on a farm for wages paid by the man who operates it.

Steamship companies should make this distinction in the manifest, and special attention should be made if necessary, by inspectors and registry clerks, during the progress of the examination of alien arrivals.

Column 5 (Able to read and write). Column 5 is subdivided into two parts, and should be either Yes—Yes, can read and write; No—No, can neither read nor write; or Yes—No, can read but not write.

Column 8 (Nationality). Column 8 should be construed to mean the country of which immigrant was citizen or subject and not country of last permanent residence.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America (not Spanish).

AFRICAN (BLACK).

"African (black)" refers to the African Negro and to Negroes from Cuba or other parts of the West Indies, North or South America, Europe, or Africa. An alien whose race or people is one who cannot be properly classified under this list, etc.

HEBREW (RACIAL).

The people who are not of the house of the Israelites, Hebrew, Judaic, Judean, Palestinian, Israelitish, Jewish, Semitic, Canaanitish, Phœnician, Carthaginian, Arabian, Assyrian, Babylonian, Chaldean, Moabitish, Ammonitish, Amorite, Moabite, Canaanite, Hittite, Jebusite, Amalekite, Midianite, Edomite, Idumean, Philistine, Sabean, Himyarite, Ishmaelite, Arabian, Egyptian, Abyssinian, Ethiopian, Nubian, Libyan, Berber, Kabyle, Moorish, Algerian, Tunisian, Tripolitan, Riffian, Moorish, Arabian, Syrian, Persian, Afghan, Beloochistanian, Hindu, Kafir, Bengalee, Siamese, Malay, Annamese, Chinese, Japanese, Korean, Tartar, Finnish, Lapp, Turkish, Mongolian, Samoyedan, Basque, Patagonian, Chilean, Araucanian, Peruvian, Mexican, Indian (Hindustan), Pueblo Indian, Apache, Navajo, Sioux, Iroquois, Cherokee, Creek, Seminole, Chickasaw, Choctaw, Comanche, Blackfoot, Digger, Diegueño, Yaqui, Kickapoo, Pottawattomie, Shoshone, Ute, Zuñi, Moqui, Mohave, Yuma, Piute, Nez Percé, Flathead, Kootenay, Chinook, Clallam, Kwakiutl, Haida, Thlingchadinne, Eskimo, Aleut, Mound Builder, Cliff Dweller, Stone Age, Bronze Age, Iron Age, Red Ocher People, Lake Dwellers, Terramara, Kitchen Middens, Trichinopolies, Dravidian, Malabar, Tamil, Telugu, Canarese, Mahratta, Coorg, Nair, Singhalese, Veddah, Ainu, Lolo, Karen, Burmese, Tibetan, Nepalese, Kashmirian, Afghan, Beloochistanian, Kurd, Armenian, Georgian, Circassian, Lesghian, Ossetian, Imeritian, Mingrelian, Suanian, Abkhasian, Daghestanian, Tchetchenzian, Kabardian, Ingush, Touchi, Awar, Lesgh, Kasikumuk, Kuban Tatar, Crimean Tatar, Nogai, Astrakhan Tatar, Kazan Tatar, Siberian Tatar, Kirghiz, Bokhara, Sart, Uzbek, Khivan, Turkoman, Yomud, Teke, Ersari, Sarik, Salor, Chodor, Goklan, Kurd

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest (Forms 500, 500 A, and 1500 B (new), 500, 500 Y, and 500 E), so far as it relates to the several columns, including those in blank, and how made, should be made in accordance with the following classification. The number of the column on the manifest is given at the head of special instructions and is followed, in parentheses, by all succeeding columns, including column 36, by a descriptive title indicating briefly the subject matter to be entered.

Column 4 (Age).—The entry in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be M (married), S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc. Do not use simply the terms engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between persons who have been employed laborers, regardless of the amount of money shown in column 13, and persons of independent means.

A farmer is one who owns or rents a farm, cultivates it, and lives on it.

A farm laborer is one who works on a farm for wages, but does not operate it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (Able to read and write).—Column 8 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

Column 9 (Nationality).—Column 9 should be considered to mean the country of which the immigrant is a citizen or subject and not the country of last permanent residence.

Column 10 (Race or people).—The entry in column 10 should show the race or people given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants (whether residing in Italy, Switzerland, Austro-Hungary, or any other country), should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south and east of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

Column 11 (Last residence).—The entry in column 11 should show the country and city or town of last permanent residence (not merely temporary visit).

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (If any woman or girl, purpose to join).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 16 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W'd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the Provinces of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, America, Hungary, or any other country, should be classed as "Italian (north)." Most of them speak the Gallo-Italic dialect of the Italian language.

ITALIAN (SOUTH).

The people of the native territory of Italy south of the basin of the River Po (i. e., comprising the Provinces of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), or their descendants, should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country* and *city or town* of last permanent residence, as, for example, Italy—Rome, Austria—Prague, Russia—Warsaw, Germany—Berlin, etc. Do not enter merely "Europe."

Column 11 (Final destination).—The entry in column 11 should show the destination, so far as known, of each alien arrival, by State and city or town, as, for example, Pennsylvania—Philadelphia, Illinois—Chicago, etc. Do not enter merely "U. S."

Column 12 (Whether ticket is to such final destination).—The entry in column 12 should be either Yes (ticket to such destination) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and upwards; if less, how much).—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; if so, when and where).—The entries in column 15 should show whether or not Yes—No in the United States before; and if so, the year (or period of years) and place, as, 1893, Philadelphia.

Column 16 (Going to join relatives; if so, what relatives and where; or if going to friends, what friends and where).—The entry in column 16 should show whether going to join relatives or friends, and if so, what relative or friend, with name and complete address.

Columns 17 to 20.—The answers in these columns are subject to revision by any inspection officer in the examination of manifests.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Can read and write).—Column 7 is subdivided and the entries therein should be either Y (Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence, instead of the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 14 (Whether in possession of $50, and if less, how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 16 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFEST.

The information returned on the manifest (Forms 500, 500A, and 500B), covering numbers 500, 500A, and 500B, sections 4 to 8, relative to nationality, the ability to read and write, and to occupation, should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, by all cases up to and including 5 (date of birth), by a description with indicating briefly the subject to which it relates.

Column 5 (age). The return of age in column 5 should be expressed in years and months, the latter applying only to those under 1 year of age.

Column 6 (sex). The entry in column 6 should be either M (male) or F (female).

Column 7 (married or single). The entry in column 7 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 8 (calling or occupation). The entry in column 8 should describe, as accurately as possible, the occupation, trade, or profession of each alien, whether he is a farmer, a civil engineer, stationary engineer, locomotive engineer, mining engineer, mechanical engineer, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, and the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the progress of the examination of alien arrivals.

Column 9 (able to read and write). Column 9 is subdivided and the entry in each case should be either Yes or No. Yes can read and write. No. No can neither read nor write. Yes, No can read but not write.

Column 8 (Nationality). Column 8 should be construed to mean the country of which the immigrant is a citizen or subject (and not country of last permanent residence).

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean French by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuban and Negro.

SPECIAL INSTRUCTIONS FOR FILLING ALIENS MANIFESTS.

The information required on the manifest [Forms 1500, 1500 A, and 1500 B, new numbers 500, 500 A, and 500 B] so far as it relates to the arrival or embarking these in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age). The return of age in column 3 should be expressed in completed months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe, as accurately as possible, the occupation, trade, or profession of each alien, as actual (not future) employment, thus: Civil engineer, stationary engineer, locomotive engineer, mining engineer, cigar maker, hand polisher, iron molder, wood turner, etc., and not simply as engineer, painter, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, with the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write). Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 8 (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

Spanish American.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B)], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 8 and 9 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuban and Negroes).

PANE-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa, the islands of the West Indies, North or South America, Europe, or Asia. Any mixture of appearance indicating admixture of negro blood should be classed under this head.

ARMENIAN.

The people who emigrate from Armenia, Asia Minor, Turkey in Asia, Persia, and parts of Russia. Emigrants of this race should be carefully distinguished from those residing in Italy, Greece, Austria-Hungary, etc., and who are frequently classified as Italian (north), Hebrew, Greek, Austrian, etc.

ITALIAN (NORTH AND SOUTH).

The people who emigrate from the provinces of Italy. For the purpose of this classification Italy should be divided as follows: North Italy—Piedmont, Liguria, Tuscany, Marche, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia; and the first seven should be classed as "Italian (north)."

Column 10 (Last residence).—The entry in column 10 should be the country of last permanent residence, as distinguished from country of birth or country of which alien is a citizen or subject. The name of the place (city or town) should be given.

Column 11 (Destination).—The entry in column 11 should be the place (city or town) of intended destination.

Column 12 (Whether going to join relative or friend, and if so, what relative or friend, and its name and complete address).—The entry in column 12 should be either Yes or No, as indicated.

Column 13 (Final destination).—The entry in column 13 should show ultimate destination, if known, and not merely the destination to the first port in the United States.

Column 14 (Whether having been in the United States previous time, and if so, when and where).—The entry in column 14 should be either Yes or No, as indicated.

Column 15 (Whether coming with ticket paid for by himself or others, and if others, by whom paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50 and if less, how much).—The entry in column 16 should show the exact amount of money, if $50 or more, or the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show, with the words Yes or No, if in the United States before, and if so, the year and period of stay, and place, as 1894–97, Philadelphia.

Column 18 (Whether going to join husband, wife, father, mother, or other relative, and if so, what relative, and its name and complete address).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, and name and complete address.

Columns 19 to ——.—The answers in these columns are subject to revision by the inspection officer in the examination of immigrants.
